

Gastroenterology

Trinity Digestive & Nutritional Center is pleased to welcome you as a patient to our facility. We are a state-of-the-art facility providing modern outpatient care, conveniently located behind the Fort Steuben Mall. The facility is State Licensed, Medicare Certified and accredited by the Joint Commission. We follow the highest standards in Endoscopy quality measures.

Our goal is to make your visit as pleasant as possible. The Center is a place where patients receive quality care and then return to the comfort of their home the very same day. Respect for your individual needs is a concern for both the physicians and the staff.

We specialize in diagnostic studies of the esophagus, stomach, small intestine, and colon.

Our Services Include:

- Screening & therapeutic Colonoscopy
- Gastroscopy; Upper Endoscopy
- Push Enteroscopy
- Flexible Sigmoidoscopy
- Capsule Endoscopy Studies
- Argon Plasma Coagulation

We participate in most insurances and will obtain the necessary prior authorizations for your procedure in advance. If you have any questions regarding billing, payment or insurance coverage; please contact our billing office at 740-264-8267.

All of our physicians are Board Certified in Gastroenterology.
