

[Make A Gift](#)

In our current economic environment, the same question resonates across many community hospitals: Will our benefactors be able to help in this economic climate? The answer is consistent. Givers give; it is what they do. We know you are making careful choices in your own homes about the direction of your charitable donations. During these tenuous times you are asked to support many causes. We urge you to remember the patients of Trinity when considering these causes. Your gift to The Trinity Health System Foundation will help ensure that each patient receives the highest level of care offered in the Ohio Valley while allowing you to give back to our local community.

There are no gifts that are too big or too small to be an important part of the Foundation's Efforts. Gifts are tax deductible in many cases. These gifts can be one time gifts made with cash or check, be pledged and paid with annual, quarterly, or monthly payments over the course of time.

The Foundation thanks you for anything you can do toward helping us continue to strive for the highest level of patient care possible. Below you will find a link to a PDF of our pledge form that you can complete and mail to our foundation office at the address listed on the bottom of the form.
