

Privacy Policy

Personal Information

The Trinity Health System website is committed to providing you with quality health care information. We are also firmly committed to respecting the privacy of your general and personally identifiable health information. Trinity Health System will not share or sell any personally identifiable information we gather to any company, organization, or person outside of Trinity Health System. Any general personal information you voluntarily provide when using our website, such as your name, address, or e-mail address will only be used to provide you with information that you specifically request. We will not use your general or personally identifiable health information without your prior consent.

While we will make every effort to protect the privacy of your health information, you understand and agree that we cannot and do not warrant that information sent via the internet is free from tampering or unauthorized observation. You should think carefully before disclosing any general personal information or personally identifiable health-related information when using this website.

Organized Health Care Arrangement (OHCA)

WHAT IS AN OHCA?

OHCA is an acronym for "Organized Health Care Arrangement." An OHCA is an organized system of health care in which the separate health care providers and plans can participate in joint activities, such as quality improvement or payment activities to share patient data.

WHO ARE THE CURRENT PARTICIPANTS IN OHCAS WITH TRINITY?

Trinity Health System participates in an (OHCA) with the University of Pittsburgh Medical Center (UPMC) in Oncology Services.
