DESCRIBE YOUR INTEREST IN MEDICAL LABORATORY SCIENCE, WHY YOU SHOULD BE ACCEPTED INTO THE TRINITY
HEALTH SYSTEM MLS PROGRAM, AND YOUR GOALS UPON GRADUATION:

**Trinity Health System will provide the resources necessary for the TB screen/test, background check, drug screen, required immunizations/titers and physical exam. Students will be given ample time to complete this requirement before beginning the Professional Year of Study. Liability and health insurances are the responsibility of the student and MUST be confirmed before classes begin.*

The School of Medical Laboratory Science does not discriminate on the basis of race, color, religion, sex, national origin, age, ancestry, or disability in the admission of students. The school provides *reasonable* accommodations to students with disabilities. Those students are required to inform the program director immediately upon admission as to the nature of the disability.

I certify that the above information is correct to the best of my knowledge. I understand that any false information on this application or during my interview or discovered at a later date, may result in revocation of admission/dismissal from the program. **In compliance with the Family Educational Rights and Privacy Act of 1974, I waive my right to the confidentiality of the admission requirements, transcripts, and evaluations submitted to the Admissions Committee for assessment (PLEASE INITIAL HERE _____).** I recognize that acceptance into the program is contingent upon meeting all requirements and pre-requisites prior to the start date, and failure to successfully complete them may result in forfeiture of placement. I understand that if placed at Trinity Health System for the Professional Year of Study, I am subject to follow all rules, regulations, and policies of the laboratory and the health system.
